The location code in the index identifies the funeral home, volume and page numbers; (i.e., LI-10-274, Light Funeral Service, Volume 10, Page 274). Two-letter codes are used to identify funeral homes as follows:

| | | | |
|---|---|---|---|
| EV | Evans | KE | Kern |
| HA | Hawthorne | LE | Lemley |
| HU | Hulbush | LI | Light |

The following two-letter codes are used in denoting cemeteries in this index. When a burial occurred outside Skagit County the code OC (Other County) is used in lieu of a cemetery code. CR (Cremation) denotes cremains that were not placed in a cemetery by the funeral home of record.
