#### TIPS FOR SEARCHING RECORDS ON THE INTERNET

Netscape & Ms Explorer users: If searching for a particular  
surname, locality or date while going through the records  
in the archives or anywhere....try these few steps:

1. Go to the top of the report you are searching.
  2. Click on EDIT at the top of your screen.
  3. Next click on FIND in the edit menu.
  4. When the square pops up, enter what you are looking for  
in the FIND WHAT            blank.
  5. Click on DIRECTION        DOWN.
  6. And last click on FIND NEXT and continue to click on FIND  
NEXT until you reach the end of the report.
- This should highlight the item that you indicated in "find what"  
every place it appears in the report. You must continue to click  
on FIND NEXT till you reach the end of the report to see all of  
the locations of the item indicated.
