Description:

Missouri is often called one of the friendliest states in the country because it borders eight other states. Its central location, navigable waterways, and variable terrain have attracted settlers from every part of the country, as well as abroad. This database update adds records from Boone, Grundy, Mississippi, and Webster counties to previously posted records from Clark, Dade, Dunklin, Lafayette, Pettis, Ray, Stoddard, Phelps, Platte, Ripley, Saline, and Stone counties. Taken from microfilm copies of original county documents, each record provides spouses' names, marriage date, and county of residence.
