

HOPKINS COUNTY, KENTUCKY CEMETERIES

VOLUME VI

ODD FELLOW CEMETERY

F O R E W A R D

This volume is the final publication of cemeteries in Hopkins County, Kentucky. As indicated in the foreward of the other volumes, much work has gone into this worthwhile project. Many of the members of the Hopkins County Genealogical Society have contributed time and energy to complete this worthy cause of preserving records.

A special and sincere recognition is given to Mr. Phillip Ray Brown, who, while a senior in high school (1966), copied the inscriptions on memorials of Odd Fellow Cemetery in its entirety. Phillip has also assisted in copying other cemeteries and is a dedicated genealogist.
