Dear Madam:-

We are enclosing a furlough card extending Mr. Rainwater's furlough for six months as it expires March 21st, and it will give him abundant time to decide what he wishes to do and make arrangements. He could probbaly join the Colony here with his wife if he desired so to do, or if he preferred Ketsil, as soon as there is room to receive him he might change his membership to that institution, tho the rooms now are all taken and it will besometime before there will be a chance to get in.

As far as the discharge papers are concerned we will send them when you need them. It has been the custom to hold them unless there is some good reason for mailing them out, as long as his membership remains here.

Very truly yours,

Superintendent.

Dear Colonel:-

Comrade Rainswatter of Spokane
is here thinking that his membership was in this

ly return his discharge and pension certificate to
us and we will endeavor to have this mistake recti-
fied and allow him to enter the Home here as this
appears to be his wish.

Mr Warren

Commander of Orting Home

Dear Sir, Am writing for my father who is very anxious to receive this information before April. He is not very well and does not feel like making the trip out there now if it is possible to make arrangements for an extended leave of absence which the comrades here tell us we can get by communicating with you. He has thought- by fall if it is possible to transfer to the Patsil Home where he and mother can be together they would appreciate going there or if

arrangements can be made so the
his can come there will be quite
satisfactory in any event. He will
appreciate any advise you may
give as we are not familiar with
the rules of your Home. If this
furlough can be extended kindly
state, also if you will send his
mail to this address W. 1118 Gordon
ave, together with his discharge papers
which he left there we will appreciate
these kindnesses very much. With best
regards from Father to all the comrades
yourself included. I trust we may have
an early reply.
