

## Nancy's Lawrence County Corner

### MANNING #1 CEMETERY Lawrence County, Arkansas

**Location:** Between Hoxie and Sedgwick.

This inventory was taken by Vickie Manning Carmichael and her mother, Vleanor Barnes Krohn, on 4 March 1994. Several markers were difficult to read and some were broken and impossible to read. She compared her results with a 1968 inventory done by the extension service. This helped to figure out names and dates that were only partially readable.
