Submitted by: B. E. and Helen (Hart) Lockett

The Brad Cemetery Inventory was compiled from "Palo Pinto County Cemetery Records", Volume 1, pages 163 through 173; Survey Map of Brad Cemetery as revised April 22, 1979; Deed Record Book of Brad Cemetery Association; and physical inventory of cemetery, October 1997. It is possible that there may be errors in Block and Lot numbers as related to the cemetery plot map, but this listing is representative of the best available information and the best efforts of the compilers, B.
