Poe (Pole) Bridge Cemetery

From Ashland, Alabama at the junction of Hwy 9 and Hwy 77, take Hwy 77 N. approximately 6.9 miles. Turn left onto a dirt logging road. Travel approximately one half mile and turn right. Go approximately 2 tenths of a mile. The cemetery is on the left. It is slightly overgrown but, easily accessible. Please note: anything in parenthesis is an annotation added by myself. All other info is taken directly from the tombstones.
