"Absent, not dead"

Randall was a Baptist preacher who pastored many of the Baptist churches in Hamilton County, as well as in Coryell County. Most of these early churches met in the community school house and had services only one Sunday a month, so frequently he pastored 2 or more churches at the same time. Randall played an active roll in the Hamilton County Baptist Association. He performed the wedding ceremony for at least 83 couples in Hamilton County between 1899 and 1946.
