Childersburg Cemetery, Childersburt, Talladega County, Alabama. This is a PARTIAL listing of tombstones recorded to date.

Surveyed summer, 2001 by Lisa Finn

Childersburg Cemetery is visible from Alabama state highway 280. Traveling south on Hwy 280 from Birmingham, Alabama, the cemetery will be located on the left, approximately 5 miles inside the city limit. As of April, 2002, the cemetery would be located directly behind a Subway Sandwich Shop, and across from the Childersburg Church of God. The cemetery is divided into 2 sections with a public road between them.

The "new" section is closest to Hwy 280, and the "old" section is on the other side of the dividing public road. The following transcription is a partial listing from the "old" cemetery.

Local historians state that this cemetery was once owned by the United Methodist Church. During that time, the church was located on the property of the cemetery. The Church was later moved to it's current location, and the cemetery was given to the city of Childersburg. The date of this transaction is unknown.
