

1884 CORYELL COUNTY, TEXAS TAX ROLL

I feel that there is no necessity for an index to these records as the entries are alphabetized, however they are not indexed within the letters, so if you are looking for someone whose name starts with "A", you must look at all of the "A" entries. The Tax Assessor for Coryell County in 1884 was H. S. Perryman. Spelling is exactly as found in original records, there is room for interpretation of some letters. If you are searching for an ancestor in these records remember to try all variations of the name, plus phonetic spellings.

Those items taxed in 1884 were land; City and Town lots; Carriages, Buggies, or Wagons; Manufactured items (tools, implements and machinery); Horses and Mules; Cattle; Jacks and Jennets; Sheep; Goats; Hogs; goods, Wares and Merchandise; money on hand; and Miscellaneous Property. I did not transcribe all of these, but the tax rate and abbreviations used are shown here: Land is shown by Abstract #, Survey and acreage was rendered from \$.50 to \$10.00 an acre. Under Other taxable:
