Russell Co., KY Marriages, 1826-1865 - Bailey-Butler
Compilation copyright 1985 Gary L. Flanagan

I originally compiled this data during 1984-1985 from the original documents in the Russell Co., KY Courthouse. The contents were transcribed onto index cards, which were transcribed into typewritten form in 1985. The Web version consists of files scanned from the typed document. While I am proofreading this material and comparing it to the typed version as I make it available on the Web, it is subject to error at the time of transcription, typing, and scanning. I apologize for any errors in transcription and will correct any if proper documentation is provided (i.e., photocopies of the records); I will also be glad to consider adding pertinent notes.

The format is as follows:

Groom's name, bride's name. Date. Person performing the marriage. Date of bond, surety. Witnesses. Other information (parenage, notes, etc.) Book-page.

For example:

The groom in this example is Berryman G. Brown. The bride is Sarah E. Downey. The marriage was on Dec. 20, 1855. The marriage was performed by Wm. W. Bernard at John Downey's. The bond was date Dec. 19, 1855 with James S. Bernard and Sherrod W. Downey as the sureties. The witnesses were Sherrod Downey, Dick Wilson, and John Downey, Sr. The documents are in Book 2, pages 95-96 in the Russell County Courthouse.

I hope that this information is useful to others undertaking genealogical research.
