## CORYELL BAPTIST CHURCH

Coryell County's First Baptist Church was Organized June, 1855 by: Elders: John Clabaugh and S.G. O'Bryan. Charter members were: Green and Adaline Frands, Rebecca Gibson, J.G and Sarah Ann Green, Naomi Hall, Martha Hicks, Catherine and Jesse James, Jesse and Margaret Lee, James-Jane-Margaret-Minerva McIlhaney. Congregation met for 30 years in Home and Schoolhouse and in 1885 erected this building. Site was donated by Green, Franks and Hall.

Recorded-Texas Historic Landmark--1970

The 112 nd year of the Coryell Church was attended by Louise McIlhaney Deering. Louise attended on June 26, 1977. Between 80 and 100 attended. About 1 dozen of direct descendants of Charter members attended.

At 10:00 Am, Rip Davis serving as Master of Ceremonies, his sister, Ruth Campbell, serving as Registrar, Their mother was Ethyl McIlhaney Davis, the youngest child of WJG & Mollie McIlhaney.

A Memorial roster was read of 37 deceased during 1977-among them Mollie Davis (wife of Sam T.) of Lubbock, who was buried June 25, 1977.

Pit Boyd, Age 87, read the roster. When direct descendants were recognized he singled Louise out as the grand daughter of "Uncle Billie" McIlhaney, one of the finest men he ever knew.

Pit Boyd, his sister, Minnie Boyd (the only 2 living members of their family o 10 children, are related to Louise's Mother (Ollie Umberson McIlhaney) but grew up in Coryell County and knew the McIlhaney's very well.

Fannie McIlhaney Warren and her husband, Dolpha Warren attended. She is James (Jim) McIlhaney's daughter.

It was very exciting to be attending services in that church, where my great grandparents, my grandparents and my father attend.

The Church had hand made benches. The pulpit stand, still there was built by WJG McIlhaney. It has been cut in half.

The Church is gone now, but the tabernacle has a cement floor and good roof, so the pulpit stand and benches were placed in there.

### WALDO

Ethyl & Mac Davis lived in a house on the same section of WJG's , close to the store. John & Ollie's house was directly across the road from the store. East of the old McIlhaney home place just past the corner, was the old building known as the Store, which John McIlhaney ran for WJG McIlhaney. Aboard on the road said WALDO You could see the very nails that the horse collars hung on.

Some names mentioned were: Olivers, Berry, Kirkland, Fuller & Fowlers.

McElhanev

The old W. G. H. McElhanev place is due south of Cayell Church and cemetery.

When Bill first showed it to me the original windmill and rock well-house was still there. The house had burned but was rebuilt. now it is all cleared & just a field.

Across the road from it is a small house, Ruth Davis Campbell told me it was "the weaning house." When a child married, they lived there the first few months till they were adjusted to living away from home.

John inherited the store at Waldo. We have a photo inside the store, with John behind the counter. Just off to one side was a room. Dr. Hall, an old bachelor, had his office. When we came to Lubbock in later years Dr. Hall lived here, & died here in Lubbock.

James McElhanev was drowned in Fork creek, so said his great granddaughter, Ruth Davis Campbell - near Maund. Rebecca, ~~his daughter~~, was a sister to ~~James Gibson~~ - to Wm James Gibson McElhanev. W. G. H. McElhanev was in the Texas Rangers 6 months with Col. Goodnight, before he was in the Confederate Army when war was declared. When he came home he landed at Galveston. He rode horseback to Waco, (rather, West of Waco) and was so exhausted

"it was at  
flood stage"  
heavy clothing  
to heavy &  
icy cold.

## THE MCILHANEY FAMILY TREE

Great Grandfather, James McIlhaney and wife, Jane, according to the census of 1860 had at home one daughter, Minerva, age 23, William James Gibson, 21 years old, Randall, 18, Henry, 16,. They settled on Rainey Creek, Southwest of the church yard. James spent the rest of his life here.

James was born in Ireland in 1795; his wife, Jane, was born in Tennessee in 1804. All the children shown in the census were born in Mississippi.

In the 1880 Census, William James Gibson McIlhaney was head of a family living at Rainey Creek. With his wife, Charlie, with these children at home: James, 10, Corda, 9, John, 7, Arthur, 4; Ollie, 2.

Also living with them was a laborer, J.R. Fagan, and 2 nephews, W.C. Johnston and C.J. Johnston age, 17 and 14.; also great grandmother, Jane.

In 1890 census, Grandfather and grandmother were at home on Rainey Creek; also at home were Ollie L., son, age 21, Frank B., age 17, Ethel, daughter, age 12. Jane was missing from the list but was still alive.

The Church book shows Margaret as a charter member with the others. Could this be Corda?.

Hugh had kept in touch with Patty M. Ward of El Paso.

One of these Johnstons who was reared by the McIlhaney's did live out near Woodrow, near Lubbock, in the 60's. His wife thought the McIlhaney's were a wonderful family. Mother visited with her.

The Gibsons' who lived in Lubbock and went to the First Baptist Church was a job printer. When Joe was about 2, our father, John, drove the family to Hamilton or Carlton to visit the Gibsons'.

This Gibson said his father traded a span of good mules for the place at Hamilton(Carlton) is the reason they went there.

"MC ILHANEY FAMILY"

JAMES MC ILHANEY born in 1795 in Ireland immigrated to America, settling in Mississippi where he met and married Mary Jane Gibson from Kentucky. They immigrated to Dallas, Texas in 1853 and settled in Coryell County, Texas on 320 Acres by Rainey Creek. They were Charter and consistent members of the first Baptist Church in Coryell County. James served as a Deacon until his death. James was drowned in the fall of 1872 while crossing "Tonk Creek" riding a horse on his way to Gatesville. The creek was flooded. His heavy clothing was thought to have prevented his saving himself that and the cold. He is buried in the Coryell Cemetery in Coryell County, Texas.

Records from the church show their daughters <sup>Margaret</sup> Minerva McIlhaney and Rebecca Jane Gibson were charter members. I only have records on Rebecca Jane and William James Gibson.

Children:

Margaret, Catherine, Rebecca Jane, Minerva Ann, William James Gibson Randall and Henry Clay.

HI JOE, Hope you two guys made it back from the park O.K. I went to

WACO and stayed a few days, But it was to hot for me. While I was in WACO I went to city & county library where they have a good GENEALOGY section and lot of records on file. I tried to check all of the cencus records of CORYELL county from 1860 up to 1900 But one cencus count had been burnt in a fire in

AUSTIN years back. Also read a book that covered a few years of the church at CORYELL CITY. This book covers the time that the MCILHANEYS came to TEXAS from MISS, in 18 53 and up to the 1900 . OUR great grand father JOHN W. and wife JANE show that they had at home in 1860 cencus one daughter MINERVIA three sons . MINERVIA was 23 years old, WILLIAM T.G. was 21 years <sup>Randall</sup> RANDALL 18

HENRY age 16 they settled on what is called Rainey Creek. South west of the church yard and JOHN W . spent the balance of his live at the same place The records show that JOHN W. borneed in IRELAND 1795, his wife JANE borneed in TENN, in 1804. All of the children that show in 1860 cencus where borneed in MISS, Unable to find them in the 1870 cencus as some of the people that took the cencus wrote a poor hand. Od possible that was the recodr that had burnt.

In the 1899 1880 cencus show our grand father WILLIAM T.G. as head of the family living at RAINEY CREEK, With him was his wife CHARLIE, with these children at home JAMES age 10 , CORDA age 9 , JOHN age 7 ARTHUR age age 4, CLIE age 2 also living with them J.R. FAGAN a labour and two newphens W.C. JOHNSTON and C.J. JOHNSTON ages 17 an 14. Also our great grand MOTHER JANE. missed on the 1890 cencus but found them in 1900 our GRAND FATHER & MOTHER had at home on rainey creek CLIE L, son, age 21 FRANK B, age 17 and ETHAL daughter age 12, But missing from the family is JANE our GREAT GRAND MOTHER who was still alive at this time. I plan on going back down to WACO when it cools down some. and will have enough time to go over the records again.

I also am trying to find the old records of the church so we will know what happened to some of the people.

JOE here is a question that I wish you would ask the lady that said she kinfolks, What was her grand parnets first names, and was some one in the family was a BAPSIST pastor. The book I read said in 1903 to 1905 the pastor at CORYELL CHURCH was the son of MR EPHRAIN & REBECCA GIBSON, And the grand son JOHN & JANE MCILHANEY. Now some of these names are shorting from differnt places As the 1860 cencus dont show a marget MCILHANEY but it shows <sup>and</sup> her MINERVA as charter members along with JOHN & JANE their parnets. in forming the church. In closing this report up what bugs me is where did RANDALL & HENRY MCILHANEY go to And who for sure did the two girls marry. They didnt show up in any more cencus that I have found. of CORYELL COUNTY. Am sending copies of the CENCUS you that they can keep. If you can come up with any thing drop me a line. I understand that one of FRANKS kids have some dope on the family. But dont no for sure who it is as I am in touch with PATTY M. WARD who lives in EL PASO and she has not mention it.

Will close and go mail this . We have had more than five inches so far and it is still raining here.

Mr. ~~A~~. J.H. McIlhaney,  
Tatum, N. Mex.

Dear McIlhaney:

( not remembering your first name I address you as McIlhaney)

This has been a very busy late season with me, spraying weeds on the farm and ets.

My brother-in-law , sister Louise and brother Jess went over a few days ago to Alamogordo N.M. to the funeral of our brother Jack who dies after has spent a long time in the nursing home there.

Then up to Tulsa Okla. to visit my son Dick ( R.G. ) and while there purchased a Fifth Ave. Chrysler.

Tofsy my brother Sam is visiting us. He lives in Athens Georgia. Sam is our youngest brother. He is a retired Lt. Col. from W.W. II- he spent about two years bombing over Germany.

The information you have gleaned from records is interisting. The records from a book that had been shown me was that a few McIlhangys and others organized the church ( Baptist) in that place was in 1852.

I was particularly interested in the record showing Great Grandfather W.J.G. McIlhaney having come over from Ireland.

Please note that Jane was a Gibson. Also note the Grand father was William James Gibson McIlhaney. Nore the record carefully, W.J.G. Our Grand mother was Mollie and not Charllie. One of these nephews as was reared by the family was or was married to one of these Johnsons or their decendants. Sister Louise says they lived out here near Meadow, Tex. and I believe that they came over and visited with mother while she was still living. I have last track since then.

---

I remember Uncle Jim, uncle Frank, Uncle Arthur, Aunt Lula, Aunt Ethel. then thesr is my father John.

Years ago, probably in the 1930 or 40's. a man down at our church introduced himself as Gibson if I remember a deacon. He was in the job printing business here for years. His father was ( I suppose) the baptist minister, I mean the son of the minister. It is said that when I was about 2 that dad drove the family in the surry up to Hamilton to visit the Gibsons. I asked this Lubbock Gibson why people kept going West and leaving that good black-land farming. He said that his father traded a span of good mules for the place up at Hamilton is the reason they went up there. As to Margaret and Minerva or Randall and Henry I never heard of them nor know anything of them.

Years ago when I had business extension in Waco I was informed tyhat there were some McIlhaneys listed in the directory in Waco. I never thought to follow up on the information.

The Gibsons around Lamesa THAT CAME UP FOR A VISIT A COUPLE OF YEARS AGO THAT I mentioned will be interested in your letter and the records. I ran copies of all this and will contact them and pass this on and hope to obtain their records for files on history of the family I understand that one of them works on this kind of history as a hobby.

I will pass it on to you when and if it can be obtained.

Yours with the love of a tribe of the  
McIlhaneys
