TO WHOM IT MAY CONCERN:

With the publication of this marriage book, Volume 3, dated 1905 to November 1907, the pre-statehood listing of marriages recorded at the LeFlore County Court House in Poteau, Oklahoma, is completed. Volume 1 listed marriages from 1897-1900; Volume 2 listed marriages from 1901-1904. Oklahoma became a state on November 16, 1907; the next marriage record book published by Poteau Valley Genealogical Society will begin with that date.

Special thanks is extended to P.V.G.S. members Jeanette Cheely, Janell Darneal, Arlene LeMaster, and Mary Tiffey. Jeanette Cheely, Arlene LeMaster, and Mary Tiffey copied the material from the original records at the Court House. Janell Darneal typed and indexed the material for publication.

The Poteau Valley Genealogical Society apologizes for any errors found in this book. At times the penmanship in the original record was very hard to read, and some typographical errors are always possible.
