Directions: Exit off SR #1345, Prison Camp Rd at Hope Valley, continue past home on right & left. Continue for .8 miles on SR #1364. Soon on left and road will begin to curve some what and will see a dwelling on left at tree line, somewhat enclosed. Near will see driveway to left. Will have cables & no trespassing sign. Mr Moore owns this property. I was given permission to locate & compile this aged cemetery, and some what historical for the family tree compilers. Take left & will see a dwelling, tall buildings, straight ahead a fence & a gate. Stop there & walk for .3 miles southwest to tall grove of trees across cow pasture. Cemetery is clean, but heavy timber growth & time has allowed trees to engulf some of the aged f/rocks at trunk.
