Well, if you haven't already guessed it, Greg Rainwater is indeed our kin!!! You may recall a brief mention of him in Vol. 1 Issue 3 of 1995. He is the son of Dewey Rainwater and the nephew of one of our newer subscribers, Mrs. Wanda Maroun of Flint, MI. We hope to be learning a great deal more about this branch of the family and want to wish Greg much continued success in his career.

If it were not enough that this branch heralds a successful actor, Mrs. Maroun is also the mother of Chris Maroun, a Singer/local DJ in California. Chris most recently sung at the Academy Awards Ball and has returned from Seoul, Korea where he was involved with the Grand Opening of the Ritz Carlton Hotel. Sounds like we have some talented people in our family tree!!!

If you have anyone in your family that has done something notable, please send in these stories. It is great to find the roots of our past, but let's also see what these great roots have yielded in the wealth of talent, skills, and excellence in our present or near present generations.
